# who are WE?

AgraTrade was founded in 2012 by the esteemed Shree Agarwal Samaj (Madras) with the objective of imparting knowledge to its members through interactive workshops and seminars. The primary aim of AgraTrade is to keep its members abreast of the latest developments in taxation and government policies as well as the benefits available to businesses in trade and commerce.

AgraTrade focuses on the health management and holistic development, and the organization strives to foster interpersonal relationships and solidarity among its members. Educational workshops, networking events, and access to a diverse range of resources are among the numerous services provided by

AgraTrade to its members.

AgraTrade is committed to increasing the involvement of the youth in community-building services and extending outreach to the Agarwal Community throughout Tamil Nadu and beyond.

Our core mission is to establish a platform for the Agarwal community to connect, engage, and empower one another. Our goal is to promote the spirit of entrepreneurship and social responsibility among the youth of our community.

The Agarwal community is renowned as one of the most prosperous communities in India, having established themselves as entrepreneurs in the brick-and-mortar world.

The community's success in the business arena is impressive, having demonstrated their mercantile powers over the centuries. Furthermore, the Agarwal community's influence in the virtual world is staggering, with a significant number of e-commerce entrepreneurs hailing from its ranks.

Most sales by e-commerce companies are attributed to companies run by young and dynamic Agarwal businessmen, including Flipkart, Snapdeal, Yebhi, Ola, and Myntra, among others. However, despite the occasional headline-grabbing successes, there are several talented names within the Agarwal community that often go unnoticed amidst the daily humdrum of life.

**The "Agra Trade Excellence Award" seeks to identify, recognize, and honor these individuals, and bring their talent to the limelight, inspiring other members of the society. The award is intended to showcase the exceptional achievements of Agarwal community members and to motivate others to pursue their ambitions and aspirations.**
